The screenshot shows the GOV.UK Pay website. The header is black with the GOV.UK logo and 'Pay' text. Navigation links include 'Features', 'Get started', 'Documentation', 'Support', and 'Sign in'. Below the header, a blue banner contains the text 'Take online payments from your users'. To the right of this text is an illustration of a smartphone displaying a 'Pay now' button, a tablet showing an 'Admin' interface with a bar chart and a 'Refund' button, and a circular callout showing 'Income: £52,5' and 'Refunds: £24'. Below the main heading, there is a text block stating 'If you work in the public sector, use GOV.UK Pay to take payments' and two buttons: 'Create a test account' and 'or find out what GOV.UK Pay offers'.

The screenshot shows the Indico web interface. At the top is a dark blue header with the UK Atomic Energy Authority logo and a navigation bar with links: Home, Create event (with a dropdown arrow), Room booking, Administration, Services (with a dropdown arrow), and My profile. Below the header is a light grey section titled 'Main categories' in orange. To the right of this title is a search box labeled 'Enter your search'. Below this is a welcome message: 'Welcome to Indico. The Indico tool allows you to manage complex conferences, workshops and meetings. To start browsing, please select a category below.' Below the message is a table with four rows, each representing a category with a list of events and a right-pointing arrow.
