

Session Program

1 January 2025 to 31 December 2025

Computing Division Cross-Disciplinary Seminars (2025)

Numerical Methods

Culham/Remote

Tuesday 25 March

15:00

Numerical Methods: Energy-preserving coupling of explicit particle-in-cell with Monte Carlo collisions

Session | **Location:** Culham/Remote | **Convener:** Aravinda Perera

15:00–16:00

Energy-preserving coupling of explicit particle-in-cell with Monte Carlo collisions

Speaker

Dr Jean-Luc Vay

16:00
